- I. Davika's Post Doc's event
  - Saturday Morning, no more than 3pm
  - The event is about women of science, aim to encourage young women to pursue career in science
  - Contact Davika if planning to go or interested in going.
- II. Samosa Sale
  - Monday, April 19
  - Rashmi and Anita will send out notifications and sign up for shifts.
- III. Water Project Proposal: Harish
  - Give example of systems of design, contacts and price.
  - Need two people to help me write about micro solution
  - a. Present to donor
    - We probably will get 5 minutes
    - Presentation need to be small and digestible.
    - Should have pamphlets so that if they want to come up and ask question, we have more information on the pamphlet.
- IV. Newspaper
  - Collaborating with Berkeley
  - Need people to write: MaiThy and Ben
- V. UC Davis
  - Trial time for accepting as one of our chapters.
- VI. End of year event
  - a. On campus
    - Advantage = name, credibility, more professional, maybe more people will come
    - Disadvantage = costly, around \$1,000
  - b. Dr. Sri
    - Advantage = close interactions, easier to drive to
    - Disadvantage = not as credible and people might be uncomfortable.
  - c. Solution
    - Look into restaurants with cheap venues
    - Maybe have the chapters participate as well as all the donors.
